# *A Note from the Director...*

From a young age, my heart was set on becoming a dance teacher and studio owner. I vividly recall choreographing dances and showcasing them to anyone willing to watch. Whether it was a small gathering of family or my local community, I was driven by a deep desire to share my passion for dance.

Today marks the realization of that dream. It brings me immense joy to welcome each and every one of you as valued members of our dance community. At Spotlight Dance Legacy (SDL), we are not merely a dance studio; we are a vibrant community united by our shared love for dance.

My vision for SDL is to provide a nurturing environment where every individual feels embraced and empowered through dance. I am committed to offering our dancers a balanced blend of training, motivation, and creativity. It is my sincere belief that the lessons learned on the dance floor extend far beyond technique, fostering self-confidence, respect for others, and a deep appreciation for the art form.

I am so excited to embark on this journey together, witnessing the growth and brilliance of each dancer as they grace the stage. Your trust in me to impart the gift of dance upon your children is an honor, one that I do not take lightly.

Thank you for entrusting me with the privilege of nurturing your child's passion for dance and for being integral to the realization of my lifelong dream. Together, let us continue to inspire, uplift, and celebrate the accomplishments of our dancers.

*Miss Sarah Pugh*

# Senior Salute

## Miss Jaiden Luke

Jaiden Luke is a senior at Winterset High School. She is the daughter of Maggie and Ed Luke and the granddaughter of Darrel Luke. Throughout high school she has completed many college courses, including a CNA program. After high school she plans to continue her education by pursuing a bachelors of nursing, then continuing onwards to a nurse practitioner license.

Jaiden has been dancing since she was 3 years old. Jaiden has spent countless hours in the studio, including competition, with her last year being on the Legacy Select competition teams. She has completed four years of instruction with Spotlight and attained Dancer of the Year in the 2021 season. Jaiden believes dance builds friendships, while teaching confidence and perseverance. Her favorite studio memory is choreographing alongside Sarah; creating new names for moves. Additionally, her favorite legacy team memory is spending time with the team, specifically on competition weekends. Her advice to other dancers is to dance from their heart and connect with the story, never simply execute the moves.

We are so proud of you and all that you've done. You're smart, brave and strong - very important qualities in life. We can't wait to see what your life holds for you. - Mom and Dad
